

REMARKS

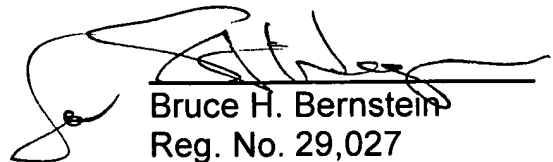

Entry of the present amendment is respectfully requested prior to the payment of the Issue Fee. The current amendment revises claim 22 to correct a typographic error therein, changing the term "broadcasting" to ---broadcast--- in order to conform to the rest of the claim. This amendment does not change the scope of the claims.

Applicants submit that entry of the present amendment is appropriate because it does not require an additional search by the Examiner. The amendment does not require more than a cursory review of the record; and the amendment does not involve materially added work on the part of the Office. Further, as the amendment submitted after the mailing of the Notice of Allowance embodies merely the correction of a formal matter in the claims without changing the scope thereof, Applicants respectfully request entry of the amendment.

If there should be any questions concerning this application, the Examiner is requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
Taketo YOSHII et al.
